Plan Special Election For Lake County Next Fall To Aid Finances

New Law Provides for Tax Increase to Aid Three Funds

A special election is expected to be held in Lake county next September or October to provide a county tax increase as a result of bills signed this week by Governor Stratton.

The new bills give the county power to levy a 2 cent tax rate for county highway patrols, a two cent rate for elections and voters registration, and a half cent for the new jury commission.

The \$125,000 expected from the 2 cent rate increase would relieve the county's general fund distress.

A dark picture was portrayed to the county board of supervisors last week by the finance committee which said the county is in a poor financial condition.

The county cannot pay for a silo which should be installed at the county poor farm to take care of the corn crop, and cannot buy 11 new patrol cars for the assistant sheriffs because of lack of money.

There will be payless pay days for the county employees and the county expects to be \$180,000 in the red by the end of the fiscal year.

Mrs. Veva Buchholz New Home-Ec Teacher

Mrs. Veva Buchholz has been appointed by the local high school board of education to teach home-making subjects this next year. Mrs. Buchholz received her training and bachelor of science degree from Eastern Illinois State College, Charleston. She has three years teaching experience in Highmore, S. Dak., and Newton, Ill.

Mrs. Buchholz comes to the high school highly qualified to teach home economics. She has taken many undergraduate subjects in clothing, foods, dietetics, child development, family relationship, and home management.

Her teaching schedule next year will be home economics I, II, III, and cafeteria manager.

Mrs. Buchholz resides in Chicago at the present time and is planning to move to Antioch as soon as living quarters have been secured. Mrs. Buchholz is a widow.

Crops Around Antioch Badly In Need of Rain Corn Beginning to Curl

Dry weather is having a serious effect on the corn in the Antioch area. No substantial rain has been received in Antioch since June 5 and the ground is quite dry. The lack of rain is having its effect on pastures also.

"Corn is beginning to curl, which shows a marked need of rain," said Cooperative Weather Observer Roy Kufalk. "Much of the corn around here is uneven, too."

South of Lake Villa where there have been more recent rains the corn is in fair condition although it needs rain.

Grains are ripening and wheat is ready for combining.

Johnson Summer Home, Pistakee Bay Ransacked

The R. A. Johnson residence near Pistakee Bay was ransacked Tuesday but the only thing reported missing was a linen table cloth, according to sheriff's deputies.

Johnson told the police the house was entered between 1 p. m. and 4:15 p. m. Linens, lamps, and a typewriter had been piled near the front door, the contents of drawers stacked on the floor, and costume jewelry piled on top of the piano as though plans were made to remove them later.

Mr. and Mrs. Johnson both said the house was locked when they left.

Becomes 25-Club Member

William Huebner became the eighth member of the Antioch Moose lodge to be honored as a 25 Club member. This means he has signed up 25 candidates for membership in the lodge. He received a certificate and a diamond pin from Mooseheart. Three more persons signed applications for membership last week in the membership drive.

Two Tractors Burn An Hour Apart Mon.

It is a rare occasion when the Antioch fire department is called to extinguish a fire in a tractor, but the firemen were called out an hour apart Monday morning by two fires of this nature.

The first call at 9 a. m. Chief Simonsen said was near the Hughes tulip farm on the Millburn-Loon Lake rd. near Millburn where a county tractor used in mowing weeds on the roadside caught fire. It was destroyed.

At 10:30 the department was called to the Joe Sterbenz resort at Loon Lake where a caterpillar tractor used in leveling ground, backfired and caught fire.

The blaze was extinguished before great damage was done, and the machine can be repaired.

A grass fire at the rear of the Four-Aces dance pavilion on Channel lake drew a call from the firemen at 4:45 p. m. Monday.

"Although the grass appeared green, it burned like tinder," Chief Simonsen observed.

Doughnut Day Tags Net \$68 in Antioch; Exceeds Village Quota

"Doughnut Day" taggers in Antioch raised \$68.05 for the benefit of The Salvation Army on the annual tag day held June 12, according to Mrs. Margaret E. Gaston, 928 Main st., chairman of Antioch.

Mrs. Gaston expressed her deep gratitude and that of The Salvation Army for the generous assistance of the taggers and contributors.

Total Doughnut Day contributions amounted to \$133,656.21, according to Mrs. Henry D. Paschen, general chairman of the drive which was held throughout Chicago and 153 suburban communities in seven counties—Cook, DuPage, Kane, Lake, McHenry, and Will in Illinois and Lake county, Indiana.

The coins and dollars contributed by the public on Doughnut Day provide a vital part of the support for the wide social service program which the Salvation Army conducts through its 37 corps, institutions and departments in the Greater Chicago area.

In Antioch and in all communities outside of Cook county, 20 per cent of the funds raised in the local Doughnut Day drives will remain with the community residents serving as local treasurers for the Salvation Army. These local funds will be available for a wide variety of social-welfare services throughout the year.

The 1953 Doughnut Day Quota for Antioch was \$60.

Mrs. Betty Heath and Children Hurt in Car Collision Last Thursday

Mrs. Betty Heath and her two children, Kathy, 3, and Patty, 6, received head and face lacerations when their car struck the side of a truck at the intersection of Rtes. 173 and 131 near Zion last Thursday afternoon.

The truck was driven by Mendel Chulew, 29, of Kenosha.

Deputy Sheriffs Ray Billings and Bob May who took the injured to Jane Dowd Emergency hospital in Waukegan to have their wounds dressed, said Mrs. Heath stopped for the stop sign at Green Bay rd., traveling west and apparently did not see the approaching truck as she started on again.

Chulew and a companion, Felix Pangel, 18, Kenosha, also received cuts and bruises.

Two A. T. H. S. Teachers Hooper and Perrigoue, Resign and Will Marry

Miss June Hooper and Francis Perrigoue have resigned their teaching positions at the local high school.

Mr. Perrigoue has accepted a position with the Sheldon Machine company of Chicago. He taught Industrial Arts, Metals, and Electricity for the past three years. He was also assistant football coach and head golf coach. Perrigoue received his training at Stout Institute, Menominee, Wis.

Miss Hooper is a graduate of Northern Illinois State Teachers College at DeKalb. She taught science one year in Antioch.

Miss Hooper and Mr. Perrigoue plan to be married August 29 in Aurora. They will reside in Chicago.

Child Drowns in Pan of Water in Play Pen At Crooked L. Home

Efforts of Rescue Squad Fail to Revive Infant of Chicagoans

Susan Marie Haftl, year-old daughter of Mr. and Mrs. William Haftl of 5723 West Melvina st., Chicago, fell headfirst into a 10-quart pan of water at the family summer home on the west shore of Crooked Lake and was drowned last evening.

The pan used in canning was filled with water and had been placed in the pen for the child to play in. The mother said she was absent from the room about 10 minutes when she returned and found the baby, its head submerged in the water.

The Antioch Rescue squad was called and first aid methods were used by Robert Story for about an hour but without success, and the child was pronounced dead at 6:30 p. m. by Dr. James Kopriwa.

The body was brought to the Strang Funeral home and will be taken to Chicago for burial.

The parents expect the arrival of another child soon.

Funeral services will be held Monday at 8:54 Northwest Highway Funeral home, Chicago. Interment will be in All Saints cemetery at Des Plaines.

Mrs. Haftl is the former Miss Charlene Masters.

Wesley C. Wertz, 48, Formerly of Antioch And Girard Ill., Dies

Wesley C. Wertz, 48, former resident of Antioch, died at noon Wednesday, July 8 at the McKee Rest home, Tucson, Ariz.

Mr. Wertz was born in Antioch Sept. 25, 1904, the son of Wesley C. and Frieda Wertz.

He was educated in the Antioch schools and was active in sports in the high school. After being graduated from the University of Illinois in 1928, Mr. Wertz coached and taught manual arts at Paunee, Ill. for two years.

He later moved to Henry, Ill., where he taught high school courses and in 1936 became a teacher of Smith-Hughes industrial education in the Girard, Ill., high school, a position he held until 1942 when he resigned to accept the position of vice-president and assistant of the Girard State Bank.

Mr. Wertz was a member of the Girard Methodist church, Girard lodge 171 A. F. & A. M., Girard Chapter 132, the Commandery at Litchfield, the Peoria Consistory, and Ansar Shrine, Springfield, Ill. He was past president of the Kiwanis club and past patron of the Order of the Eastern Star.

He was united to Miss Maurine England of Girard July 9, 1930. She survives as do two daughters, Mrs. Joann Allen, Girard, and Miss Judith Sue, at home.

Also a granddaughter, Barbara Jo Allen; his mother, Mrs. Frieda Wertz, Antioch; and two brothers, C. L. Wertz and A. W. Wertz, both of Antioch.

The funeral service was held Monday afternoon at the Shane chapel in Girard, Ill., with burial near that city.

Patients at Hospital

Residents of Antioch and vicinity who were patients in Waukegan hospitals last week were listed as follows:

St. Therese: Medical—Linda Giles, Lake Villa; Mrs. Anna Gross, Antioch.

Victory Memorial—Medical—Mrs. Mary Mann, Antioch; surgical—Betty Erickson, Crooked Lake Oaks, Lake Villa, Dennis Kennedy, 549 Lake st., Antioch.

Solicitation Continues

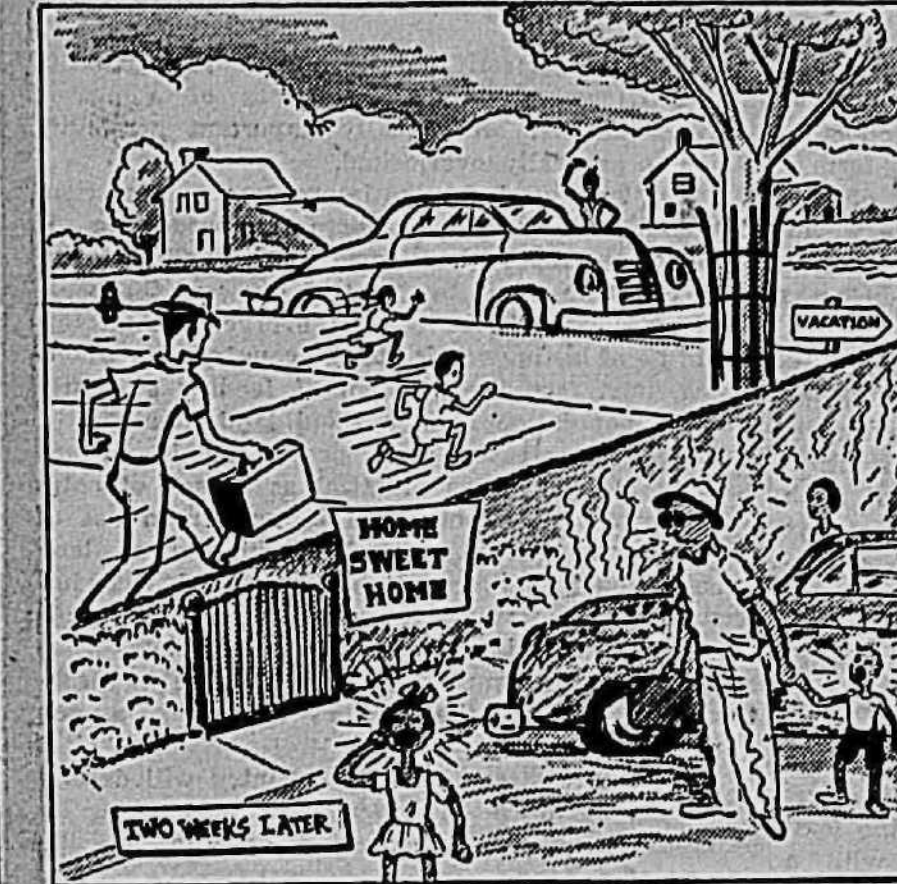

Solicitation for the Victory Memorial Hospital fund is continuing and Chairman Ed Vos hopes to have the Antioch area completed by the end of the month. The local committee met Tuesday afternoon.

On the local committee with Vos are Ed Jacobs, William Brook, Ed Strang, Loren Sexauer, Homer LaPlant, Robert Wilton, Dr. D. N. Deering, Clarence Olson, Ed. Cranley, Charles Cermak, Jr., and Ted Larson.

Firemen See Movies

The fire department viewed two movies at their regular meeting Tuesday evening. One film showed goose hunting and the other pheasant hunting.

Good Thing He Can't See Two Weeks Ahead

Antioch Junior Legion Beats Mundelein 7-5 In Last Inning Rally

The Antioch Junior Legion baseball team finally clicked Monday evening and sent Mundelein down to defeat on the Antioch diamond 7 to 5.

Trailing 5 to 2, the Antioch boys found their batting eye in the last half of the fifth and on four hits and a base on balls sent five runs across the plate for the victory. The game was shortened an inning owing to darkness.

It was the first time the local team had tasted victory since the first game of the season with Zion. The Antioch team comprises all young boys and has had a tough time competing with the older boys in the other teams of the league.

The game was played at the Antioch, Ill., high school. In Dwight Swanson the team has a pitcher who will go places next year.

Antioch will play Lake Forest tomorrow evening; North Chicago, the league leaders, on Monday, and Grayslake here on Friday, July 24, as the last game of the season.

Robert Hanson and Ed Jahneke have managed the team, and Herb Meyer and Jerry Quilty have served as coaches.

Mrs. Bertha A. Johnson Dies at Daughters Home

Mrs. Bertha A. Johnson, 82, of 5217 Cuyler ave., Chicago, passed away Monday at 9:20 p. m. at the home of her daughter, Mrs. Orland Raether, after two years of illness. She was born Sept. 9, 1870 in Breslau, Germany, coming to the United States at the age of 13, settling in Chicago, where she made her home until coming to Bristol June 2, 1953.

Surviving are two daughters, Mrs. Raether and Mrs. Norma Willetts of Park Ridge, a son Franklin also of Park Ridge, three sisters, Mrs. Martha Krempel, Chicago; Mrs. Emma Stenberg, Evanston; and Mrs. Alice Papke, Elmwood Park, and eight grandchildren; a brother, Hugo Kalessee of Freeport, preceded her in death ten years ago.

Funeral services will be held Thursday at Mee and Ranne Funeral home, 2918 Irving Park. Interment will be in St. Lucas cemetery, Chicago.

Harrison W. Brown New Principal at Lake Villa Community Grade School

Harrison W. Brown of Arthur, Ill., will take the place of R. H. Lundahl as superintendent of the Lake Villa Grade school, starting Aug. 7. Lundahl resigned to become business assistant to the superintendent of the Barrington schools.

On the day he takes his new position, Brown will receive his master of science degree in education at Eastern Illinois State Teachers' College at Charleston, Ill.

Mr. Brown, 43, has a wife and two children, aged 10 and 5 years. He has been supervisor of the elementary schools at Arthur since 1950.

Legion Carnival Under Full Power Tonight; To Crown Queen Sat.

Carnival Equipment Slow in Arriving for the First Night

The American Legion carnival will open full blast this evening and continue until Sunday evening. While the opening was scheduled for last evening, the Sam Menchin Amusement company, supplying the rides and concessions was late in arriving with some of its equipment yesterday, and only a few of the attractions were ready last evening.

Reduced prices scheduled for Wednesday evening for children will be in effect this evening.

One of the highlights of the festival will be the crowning of the carnival queen at 9 p. m. Saturday.

Voting for the queen is now in progress and will end at midnight Friday. The girl contestant who receives the most votes will get a 4-day trip to Washington, D. C., accompanied by her mother with all expenses paid by the American Legion.

The eleven candidates are: Mary Lou Osmond, Joanne Quilty, Wendy Midgley, Sylvia Beelow, Rosalie Morris, Nancy Swenson, Joan Cervenka, Shirley Ross, Arvis Ring, Pat Haydon, and Lorraine Steinel. Phyllis Bein, who was also a contestant, has withdrawn her name from the contest.

Most of the contestants are high school students, and all are sponsored by some business firm, high school class, or other organization.

Grass Lake District Rejects School Tax Increase Third Time

For the third time a proposal to increase the educational tax rate in the Grass Lake Grade School district was voted down Saturday. The vote in opposition to the increase was 117 in contrast to 105 who favored it.

The board of education this time had asked the increase to be from .41 to .61 cents on the 100 valuation in contrast to .7- cents asked before.

The board was nonplused by the result.

"I don't think the people realize the seriousness of the situation," said Roy W. Frasier, clerk of the board.

The board had thought that the lower goal would be approved, but the majority was greater against it this time than last time.

One person said that more property owners were home from their vacation than before, thus accounting for the greater opposition.

Opposition against the increase is said to be based on a general opposition to more taxes and the belief that fewer teachers are needed for the 80 pupils.

The education tax in the Grass Lake District is the lowest in Lake county.

The board will meet Aug. 1 to issue tax anticipation warrants in borrowing money to open the school.

Outboard Motor Boat Races Planned For Youths on July 25

Arrangements are rapidly being completed for the outboard motorboat races for persons under 19 years of age to be staged at 1:30 p. m. Saturday, July 25, at Petito lake.

Any outboard boat regardless of its nature may be entered. This will include family runabouts, utility boats, racers, or any other kind just so that it uses an outboard motor.

There will be no entry fee and no trophies will be awarded, but there will be prizes and a lot of fun for the youngsters. The race will be held near Matt Nolan's resort and the closed course is yet to be laid out.

Those entering the races are asked to be present at 1 p. m.

Suffers Heart Attack

Otto Luedtke suffered a heart attack Friday at his Grass Lake home. The Antioch Rescue squad gave him oxygen and he is much improved. He is convalescing at his home.

Mother and Son Hurt In Truck - Car Crash On Rte. 59 Saturday

Mrs. Dorothy M. Wetzel and son, John, 16, Lake Marie, were injured Saturday morning when the Buick two-door sedan in which they were riding was struck and demolished by a Porret Bros. newspaper delivery truck.

The accident occurred on Rte. 59 just south of Rte. 173.

Mrs. Wetzel suffered a fracture of two ribs and from shock, and her son received an injury to one leg. Both were bruised.

The Wetzels were on their way to Antioch and had just passed through a fog at the bottom of the hill when their car was struck from behind by the truck.

The impact was so great that it turned the car over once and a half, landing in a 20-foot ditch. Mrs. Wetzel remained in the car, but John was thrown out and his leg pinned beneath it.

The driver of the truck was said to have started immediately to Antioch to get help from the Rescue squad.

Mrs. Wetzel tried to lift the car off the boy, but was unable to do so. She tried to stop several passing motorists, but failed, and finally two colored girls stopped and lifted the car off John.

It was believed that the truck driver emerging from the fog at great speed was unable to turn enough to get around the Wetzel car and struck it at the left rear part, whirling it into the ditch.

The driver of the car, Joe Kozinski, North Chicago, was said to have been slightly injured and the front of his truck smashed.

The injured were taken by the rescue squad into Antioch for treatment by a physician.

Mrs. Wetzel is still carrying a temperature, but the cause, unless from shock, has not yet been determined.

Gibbs-Jenssen Store Opens With Full Line Of Sports Goods Today

Earl Gibbs and Carl Jenssen who for several years associated with each other in the operation of the A & P Tea Co. store here in Antioch, opened their new sports goods store today on Lake st.

The grand opening will continue throughout the rest of the week and the public is invited to visit the store and see the fine line of sporting goods. It is as complete a stock of this nature as one would see in a large city store.

Gifts will be presented to all visitors and to all who bring their cameras a film of the popular sizes will be placed in it without charge today.

Chicago Woman Suffers Broken Vertebra Here in Shallow Dive Sunday

Mrs. Walter Baar, a Chicago resident, suffered a broken vertebra Sunday afternoon when she dived in shallow water and struck her head on the bottom of Lake Catherine at the Forbrich subdivision. Friends helped her to shore and when she became unconscious the Antioch Rescue squad was called and she was taken to Victory Memorial hospital for care.

Mrs. Baar was a member of a family that had rented a cottage at the lake for a few days.

Hand to Mouth

Under the hard-won blessings of political and economic freedom, our competitive, free enterprise system has developed a genius for production never before seen in the world. More efficient production is the goal of every enterprise from the family farm to the largest industrial operation. As a result of this, we enjoy the highest living standards in the world. But it's a fact not fully recognized that mass-distribution is fully as necessary to our material well-being as mass-production.

Goods of all kinds must quickly and efficiently be made available to the people who want them. Nowadays practically all of us live from hand to mouth. Reserve food supplies are virtually non-existent in the average household. An endless supply of fresh and prepared foods in immense variety is always available at the local grocery store just a few minutes away.

A study by National City Bank shows that for the 18 year period of 1932-1950 the average net profit of food chain stores was 1.4 per cent of sales. Last year 24 chain food companies showed average net earnings of only 1 per cent. Profits in different lines of merchandizing naturally vary. Food stores selling a high volume of staple goods earn the least per unit sold. Other retailers operating with a lower sales volume or whose goods may be affected by seasonal or style changes must earn a higher rate of return. But in nearly every case the cost to the consumer for the invaluable services the nation's retailers perform is fantastically small.

Eleven to One

Herbert Hoover's latest major address urged that the federal government get out of the electric power business as soon as possible.

The Committee for Constitutional Government has made a check to find out how Mr. Hoover's views were treated editorially in the nation's larger newspapers. It found that daily papers of about 22,000,000 circulation carried favorable comment. Adverse comment occurred in dailies with a circulation of about 2,000,000. In other words, Mr. Hoover's position was endorsed by the overwhelming majority of 11-to-1.

It is obvious that these papers—and the many individuals who also have approved of Mr. Hoover's ideas—didn't take that stand out of any particular love for the business-managed electric industry with which the socialized plants compete on an unfair tax-free, tax-subsidized basis. They did take that stand because their editors know that, given the chance, private enterprise can carry on any needed power development, including the biggest and most costly; that there is no more rational excuse for socialized power than there would be for socialized farming, socialized manufacturing, or socialized

publishing; and that Mr. Hoover's plan would save the taxpayers untold billions of dollars over the years.

The way to get abundant, inexpensive electric power, and to get huge tax revenues for government along with it, is to encourage private enterprise.

As Practical as a Sack of Potatoes

Throughout the country, chambers of commerce, civic organizations, banks and other groups are actively engaged in seeking to bring more industry to their communities. They want the spending and the employment that come with expanded industrial activity.

This is a perfectly natural and desirable state of affairs. However, in rural sections of a nation, there is another and equally important possibility which is generally overlooked.

That is to work for the improvement, in a scientific and orderly manner, of farm production. If for instance, any region's farm output and farm income could be raised by 20 or 25 per cent the beneficial effects would be felt by everyone. And this would be of lasting service to the country as a whole, which must face the problem of feeding a swiftly growing population from a fixed land area.

Greatly increased farm production is no impossible ideal—it is as practical as a sack of potatoes. It can be accomplished by maximum use of machinery in farming, coupled with proven land conservation techniques. It has been said, with full accuracy, that the tractor revolutionized farming. That revolution is nowhere near complete—present-day farm equipment makes it possible to mechanize the work of the land as thoroughly as the work of the modern factory.

The future strength of this country will depend every bit as much on progress in farming as on progress in industry. The two go together like the fingers of a hand.

The Low Down from Hickory Grove

Today I come to the aid of 96 senators and 400 or 500 congressmen. My word, says Henry, since when did Congress do something that it deserves a pat on the back. Look-it, bub, I says, quit chattering—when a congressman needs help he needs help. Here he is down there—everybody needing him to stop the Govt. in its head-long spending, the cause of the big national headache on March 15th—and what does the mayor and the courthouse and 40 or 45 governors do? What, says Henry. I'll tell you, I says.

Every town, village, and county has an airport or waterworks it wants completed and with "gift" money—Govt. money. A delegation hops the rattler and heads for old Spendville to get its share of the loot while there is still loot left. You even go down to the depot, to see 'em off.

And now you, you yourself, you know it is not in the cards—you know "free" money from the Govt. is a phoney. Your own 16 year old high school senior knows it, too—but you, you still go down to the depot to cheer. And your Senator and your Congressman with an ear tuned to "where are the votes," recons he is a dead hombre if he don't favor your project. He shivers in his boots like the Silver City piano player doing his best—but not too sure somebody won't start shootin'.

Yours with the low down,

WHAT DO YOU WANT TO KNOW ABOUT BANKING?

... are there any advantages in financing my next car through your bank and if so, what are they?

HERE are a few of the advantages: the cost is reasonable (you pay no commissions or "buried" charges); you may include the cost of the car insurance in the loan; you build valuable bank credit standing as you repay, conveniently, in once-a-month instalments.

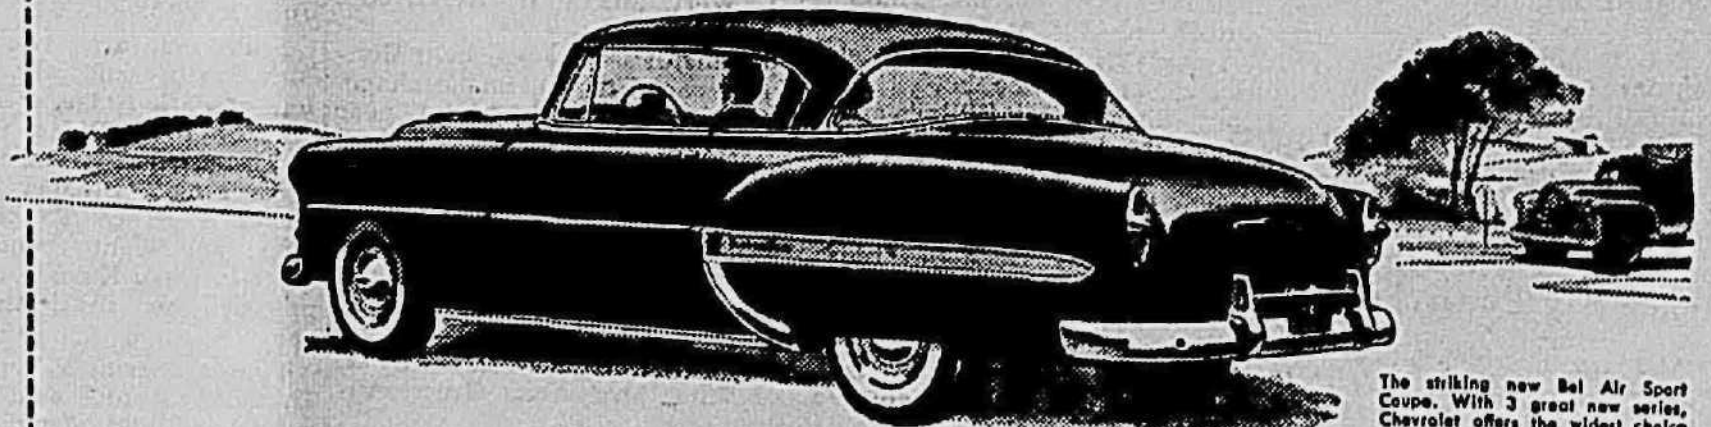

If you have chosen a car and can make the down payment, apply here for a Bank Auto Loan — to finance the remainder of the cost.

Ford Master-Guide

the last word in

Power Steering!

"WHO NEEDS
MUSCLES?"

Master-Guide applies hydraulic steering power automatically... and in varying degrees as required... right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jabs and jolts from your hands. As a result all you do is... guide the car... Master-Guide supplies the muscles.

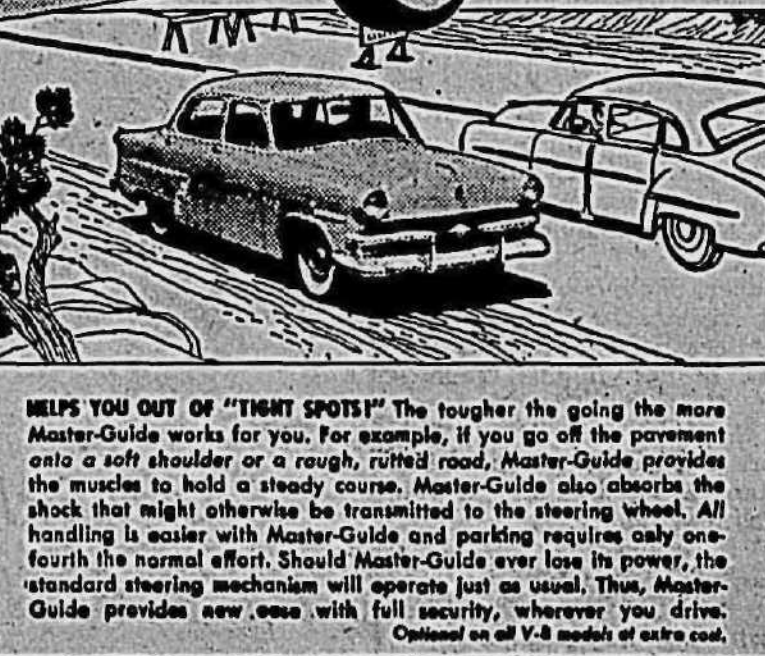

It's the newest in a long list of Ford advancements that make this Ford the outstanding car for '53!

No other car near Ford's price has ever offered you so much! Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six with Overdrive, won the Sweepstakes in this year's Mobilgas Economy Run.

Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque converter and the gas-saving "go" of automatic gears. In all, Ford offers 41 "Worth More" features.

And now, in addition, Ford brings you the newest and finest in power steering... Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car... worth more when you buy it... worth more when you sell it.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the more Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to hold a steady course. Master-Guide also absorbs the shock that might otherwise be transmitted to the steering wheel. All handling is easier with Master-Guide and parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease with full security, wherever you drive. Optional on all V-8 models of extra cost.

GREAT TV! FORD THEATRE.

Record Crowd Attends City-Farm Picnic at Druce Lake Wednesday

A crowd of 12,500 attended the City-Farm picnic at Druce Lake Wednesday afternoon, and many persons from the Antioch area were present.

The Holstein show, held in connection, had some excellent animals but the number of exhibitors was not as large as a few years ago when the competition was so stiff.

Elmwood Farms near Lake Forest had both the junior and senior champions and the grand champion. Second was Hawthorn Farms in most of the classes, but Henry Wegener and his son, LeRoy of Ingleside had the second best herd, and exhibited the best junior heifer calf. A number of the Wegener animals were placed in Class A.

The crowds were entertained by professional and semi-professional entertainers from a stage, and there were contests for the old and young.

Many of the people who attended the picnic were from Chicago, having read in the Antioch News and other papers that it was a City-Farm picnic, and they took the word "city" to mean Chicago, and they took advantage of the day's entertainment while at Lake county resorts.

WRESTLING

A huge battalion of grappling men will go through gruelling maneuvers Friday night when an Australian tag team match headlines the Lake County Stadium all-star show at Round Lake park, Ill., and the battering practice will be under way at 8:30 p. m.

In the top event, four national TV personalities are slated for warfare. It may turn into a free for all, as such matches sometimes do. There's Sonny Myers, potent St. Joe, Mo., star, teaming with Rocky Columbo of the Bronx, N. Y., against rough-house Bobby Orton of Kansas City, Mo., and Bull Montana of Braintree, Mass.

Lift Age Restriction

The Veterans Administration has lifted its restrictions on the age limit (which was 40 years of age) for a limited number of nurses to be employed at the VA hospital, Downey, Ill., on a part-time basis. There are a number of openings immediately available. Hours will be arranged for the convenience of the applicant if at all possible. The salary is prorated on the full-time rate of \$3740 per year. For information call Ontario 2-1900, Extension 487, or apply at the office of the Chief Nurse, Building 1.

Orchard Street Oiled

A coat of tarvis oil was placed on Orchard st. from Main to Broadway yesterday and this will be allowed to remain for a week after which another sealer coat and asphalt will be put on. The present coating will keep down the dust which was annoying residents of the area. The street is closed for a few days.

SUI No Water Approval

Clerk Clarence Shultis said that he still has no word from the State Sanitary Water board from which approval of the new village water well and mains is sought. Approval was given two weeks ago for the sewer project, but nothing has come through on the water project.

Many Vacationers Here

More than the usual number of vacationers are in Antioch and the nearby lakes this week. The continued pleasant weather has brought them out from the city of Chicago and suburbs. They are enjoying their stay much in contrast to a couple of years ago when cold weather made it miserable.

No Snakes

There are no snakes on the Hoan Islands.

Child's Fear

Your child's fear of the dark may vanish if you paint a miniature candle with luminescent paint on his bedside lamp. That will remind him the light is there when he wants to use it.

WILMOT

(Written for last week)
The board of education of the Union Free High school, Wilmot, Wis., announces the appointment of Mr. Henry Canitz as instructor in instrument and vocal music in the high school for the 1953-54 school year. Mr. Canitz is a graduate of the Wisconsin State College of Milwaukee and is attending graduate school in Chicago. He has had several years of experience teaching in the Milwaukee area.

The music program will be enlarged to include summer instruction in instrumental music. The first meeting for the organization of this program and the arrangements for lessons and rehearsals was held Thursday evening, July 9.

During the balance of July the group will meet regularly once a week on Thursday evening at the same time (6 o'clock for beginners or those with less than a year's experience, and 7:30 p. m. for those with more than one year's experience), seniors who graduated this year, and any persons with band experience) for the summer band. Later in the summer season arrangements will be made for both band and individual instruction. There will be no charge to individuals for the summer program.

This announcement may not reach everyone, so if you know of other persons who would be interested in becoming a part of this program please pass the invitation on to them. A more complete outline of this program will be presented at the first meeting and such questions as you may have will be answered at that time.

buys a BUICK

—the new 1953 Buick Special 2-Door, 6-Passenger Sedan Model 480, illustrated, DELIVERED LOCALLY. *Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

YOU'LL know right quick what we mean by that headline when you learn what your dollars buy in this great new 1953 Buick SPECIAL.

You get a lot more room than the same money buys elsewhere—real, man-sized, six-passenger room.

You get power—flash-fast Fireball 8 power—the highest horsepower and compression ratio ever put in a Buick SPECIAL.

You get a ride that's big-car soft and steady and level—the Buick Million Dollar Ride of all-coil springing, torque-tube drive, X-braced framing.

You get wonderful handling, luxurious interiors, superb visibility—plus a long list of "extras" that don't cost you extra.

And those "extras" alone, at no extra cost, are like a welcome

Christmas bonus. Direction signals, twin sunshades, lighter, trip mileage indicator, automatic glove box light, dual map lights, oil-bath air cleaner, full-flow oil filter, vacuum pump, bumper guards front and rear—they're all yours in this Buick at not a penny extra.

So—how about looking into the good cheer to be had here?

How about visiting us this week for a thorough sampling of the greatest Buick value in 50 great years?

SALEM

A pink and blue shower was given at the home of Mrs. Stanley Stoxen, Bassett, recently, in honor of Mrs. Robert Patrick with Mrs. Milton Patrick as assistant hostess. Bligo was part of the evening's entertainment. The honored guest was the recipient of many lovely gifts. Lunch was served to Mrs. William Hovens and Mrs. Frieda Holtdorf, Trevor; Mrs. Gladys Rausch, Willmot; Mrs. Frank Dix, Mrs. Billie Dix, Mrs. Lester Dix, Mrs. Natalie Stroupe, Mrs. Louis Salmar, Mrs. Robert Janssen, Mrs. Howard Buening, Mrs. Harry Stoxen, Mrs. Harry Messmer, Jr., Mrs. John Moreth, Mrs. Chas. Petersen, Mrs. E. H. Hartnell, Mrs. Alfred Schmidt, Mrs. Byron Patrick, all of Salem; Mrs. F. H. Wheeler, Silver Lake; Miss

Ruby Davis of Chicago and Mrs. Helen Miller of Alabama

Master Gene Moreth, son of Mr. and Mrs. John Moreth is spending two weeks at Camp Richards at East Troy. Mrs. Moreth and son, Vincent, visited Gene on Sunday. Mrs. Harriet Krautkramer and Mrs. Charlotte Bloss have returned from Denver, Colo., where they visited Mr. and Mrs. John Millward.

One hundred and ten members and friends gathered at the M. E. church on Sunday for a reception and dinner for the Rev. and Mrs. Arthur Smith. A purse of money was presented to the Smiths from the community. The Rev. Smith and his wife have just moved here from Idaho.

Mrs. Andrew Neilson and two grandsons from Woodstock are visiting relatives in New York.

Mrs. Harriet Krautkramer spent

a few days with Mr. and Mrs. Clifford Randall and Mrs. Bessie Elkerton of Antioch.

Here's the most
for your truck dollar
—the price tag proves it!

WHEN you look at a light-duty truck price,
you've got to know what you get for your
money.

In a GMC, you get Dual-Range Truck Hydra-Matic,*
3 speeds for stepping smartly through traffic—
4 for economical open highway travel. Clutch
repairs or replacements are never necessary. En-
gine and drive line can't be strained. Getaways
are quicker at every stop.

In a GMC, you get 105 horsepower and 8.0 to 1
compression. Up to 19% more power than com-
parable sixes offer. Crisper response. Mileage
noticeably better. And you get all this on non-
premium fuel.

In a GMC, you get: new, self-energizing brakes
—Synchro-Mesh transmission—recirculating ball-
bearing steering—a 45-amp. generator—double-
acting shock absorbers—a big, "Six-Footer" cab.
Remember, a GMC price-tag gets you all these
things. That's what makes a GMC the biggest
bargain you've ever driven! Come in and see
for yourself!

*Standard equipment on Package Delivery model; optional
at moderate extra cost on all others.

Cabbage White

One of the most familiar of all Virginia butterflies is the European cabbage white, introduced from Europe after the middle of the last century, which has thoroughly taken over its new home. This is due partly to the fact that it is extremely prolific, producing as many as eight broods a year where cabbages are plentiful. It will eat almost anything, but on other plants than cabbage seldom produces more than four or five broods.

Baking Fish

When buying fresh fish for baking, allow one-half pound per serving if the fish is ready-dressed—meaning entrails and fins removed.

Storing Carrots

Carrots should be stored in a cool place, preferably the refrigerator, but the tops should be removed and the roots washed before storing in a refrigerator.

Target Practice

In Birmingham, Ala., Mrs. Louise Bishop was fined \$25 for tacking a picture of her husband to the wall, firing some 70 times at it with a .22 rifle.

Adding Zest

If the flavor of a salad made from left-overs is dull, you can add a little lemon juice if it's a fruit salad, or a dash of relish or snappy cheese if it's a meat or vegetable salad.

Colored Shells

Shells can be colored any shade desired by spirit soluble aniline dyes dissolved in alcohol. After straining, the dye-alcohol mixture is added slowly to the shells until the desired color is obtained.
